

A close-up photograph of two young children, likely of Asian descent, smiling broadly. The child in the foreground is a young girl with dark hair and bangs, wearing a light grey t-shirt. She is looking directly at the camera with a wide, open-mouthed smile. Behind her, another child is partially visible, also smiling. The background is bright and out of focus, suggesting an outdoor setting with greenery.

ASIAN HEALTH SERVICES

HEALTH CARE FOR ALL. ADVOCACY FOR THE UNDERSERVED.

OUR MISSION

Health care for all.
Advocacy for the underserved.

Asian Health Services serves and advocates for the medically underserved, including the immigrant and refugee Asian community, and ensures equal access to health care services regardless of income, insurance status, language, or culture.

ABOUT AHS

Founded in 1974

Asian Health Services stands unwavering in its mission to ensure patients who face language, economic, and social barriers receive the quality health care services they need.

We deliver a wide breadth of services and programming to improve the overall health of our patients and communities. Our innovative approach to care, unique programming and cutting-edge technology enables us to make a difference in the lives of our patients and community.

AHS provides care & service
in 14 languages.
