

Stanford Health Care at Emeryville (SHCE) Drive-Through COVID19 Testing Instructions for AHS patients

Location: 5818 Peladeau Street, Emeryville, CA 94608

Look for a dark-red multi-story parking building on Peladeau Street, north side of Powell Street.

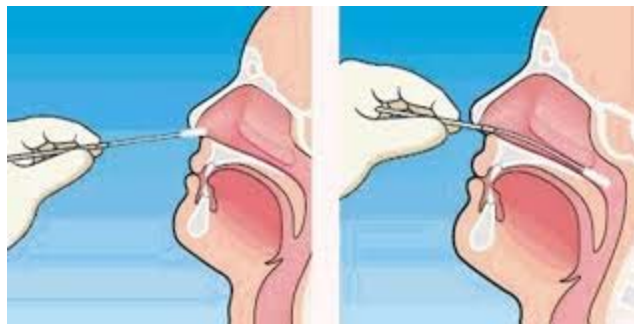

- Search for a sign for **scheduled testing** on the right-hand side.
- A Stanford employee will be at the entrance to guide you in.
- There are no bathroom facilities available for use at the testing site.

Patient Instructions:

1. Please arrive at the testing site in your own car, and stay in your car until you are guided in.
2. Please show your photo ID.

- Sign #1: **Keep your windows rolled up.**
- Sign #2: **Are you here for Covid testing?** Yes: 👍 No: 👎
- Sign #3: **Do you have an appointment?** Yes: 👍 No: 👎

3. Drive up the ramp, park at the check-in area and show your photo ID.
4. After they check your photo ID through the window, a medical personnel with PPE will hand out the instruction packet and specimen labels.
5. Please give these to the specimen collector.
6. Drive to collecting center and wait to enter one of the bays. A healthcare provider in PPE will ask to roll down window fully to verify your name and birth date. Staff will take the patient label.
7. The staff will explain the swabbing process and swab you.
 - a. We will be swabbing you today for COVID-19. We will be inserting this swab deep into your nose (like in the picture). It is uncomfortable for some people, but it only takes 10 seconds.

- b. It is normal to cough or gag, please let us know if you need a sickness bag.
- c. Please look straight and tilt your head backward against the head rest.
- d. Hold steady and breathe through your mouth.

Stanford Health Care at Emeryville (SHCE) Drive-Through COVID19 Testing Instructions for AHS patients

8. You are all done, and ready to go home. You will get results from your provider, until then, please follow their instructions for care and isolation.

Refer to Alameda County Public Health Department's Home Isolation and Quarantine Instructions for People with Coronavirus-2019 (COVID-19) Infection and their Household or Close Contacts: <http://www.acphd.org/media/568835/covid-19-health-officer-order-packet-2020.04.15-english.pdf>

Note: this short appointment is for testing only. Please call your PCP with other clinical concerns.

- The test includes one nasopharyngeal (deep inside your nose) swab by a health care provider in protective gear.
- Please leave the testing site and go home after the specimen is collected.
- Results of the test will be available within 2 business days.
- AHS will call you with the result. Please stay at home and avoid contact with other people until then.

Access the Centers for Disease Control (CDC) and Prevention website at:

<https://www.cdc.gov/coronavirus/2019-ncov/if-you-aresick/steps-when-sick.html>.

Please be aware that no test is perfect and that there is a small possibility that your test results could come back falsely negative. Please closely watch your symptoms, and if you have not improved in a few days or are getting worse, contact your health care provider.
